Design for Multiple Activities

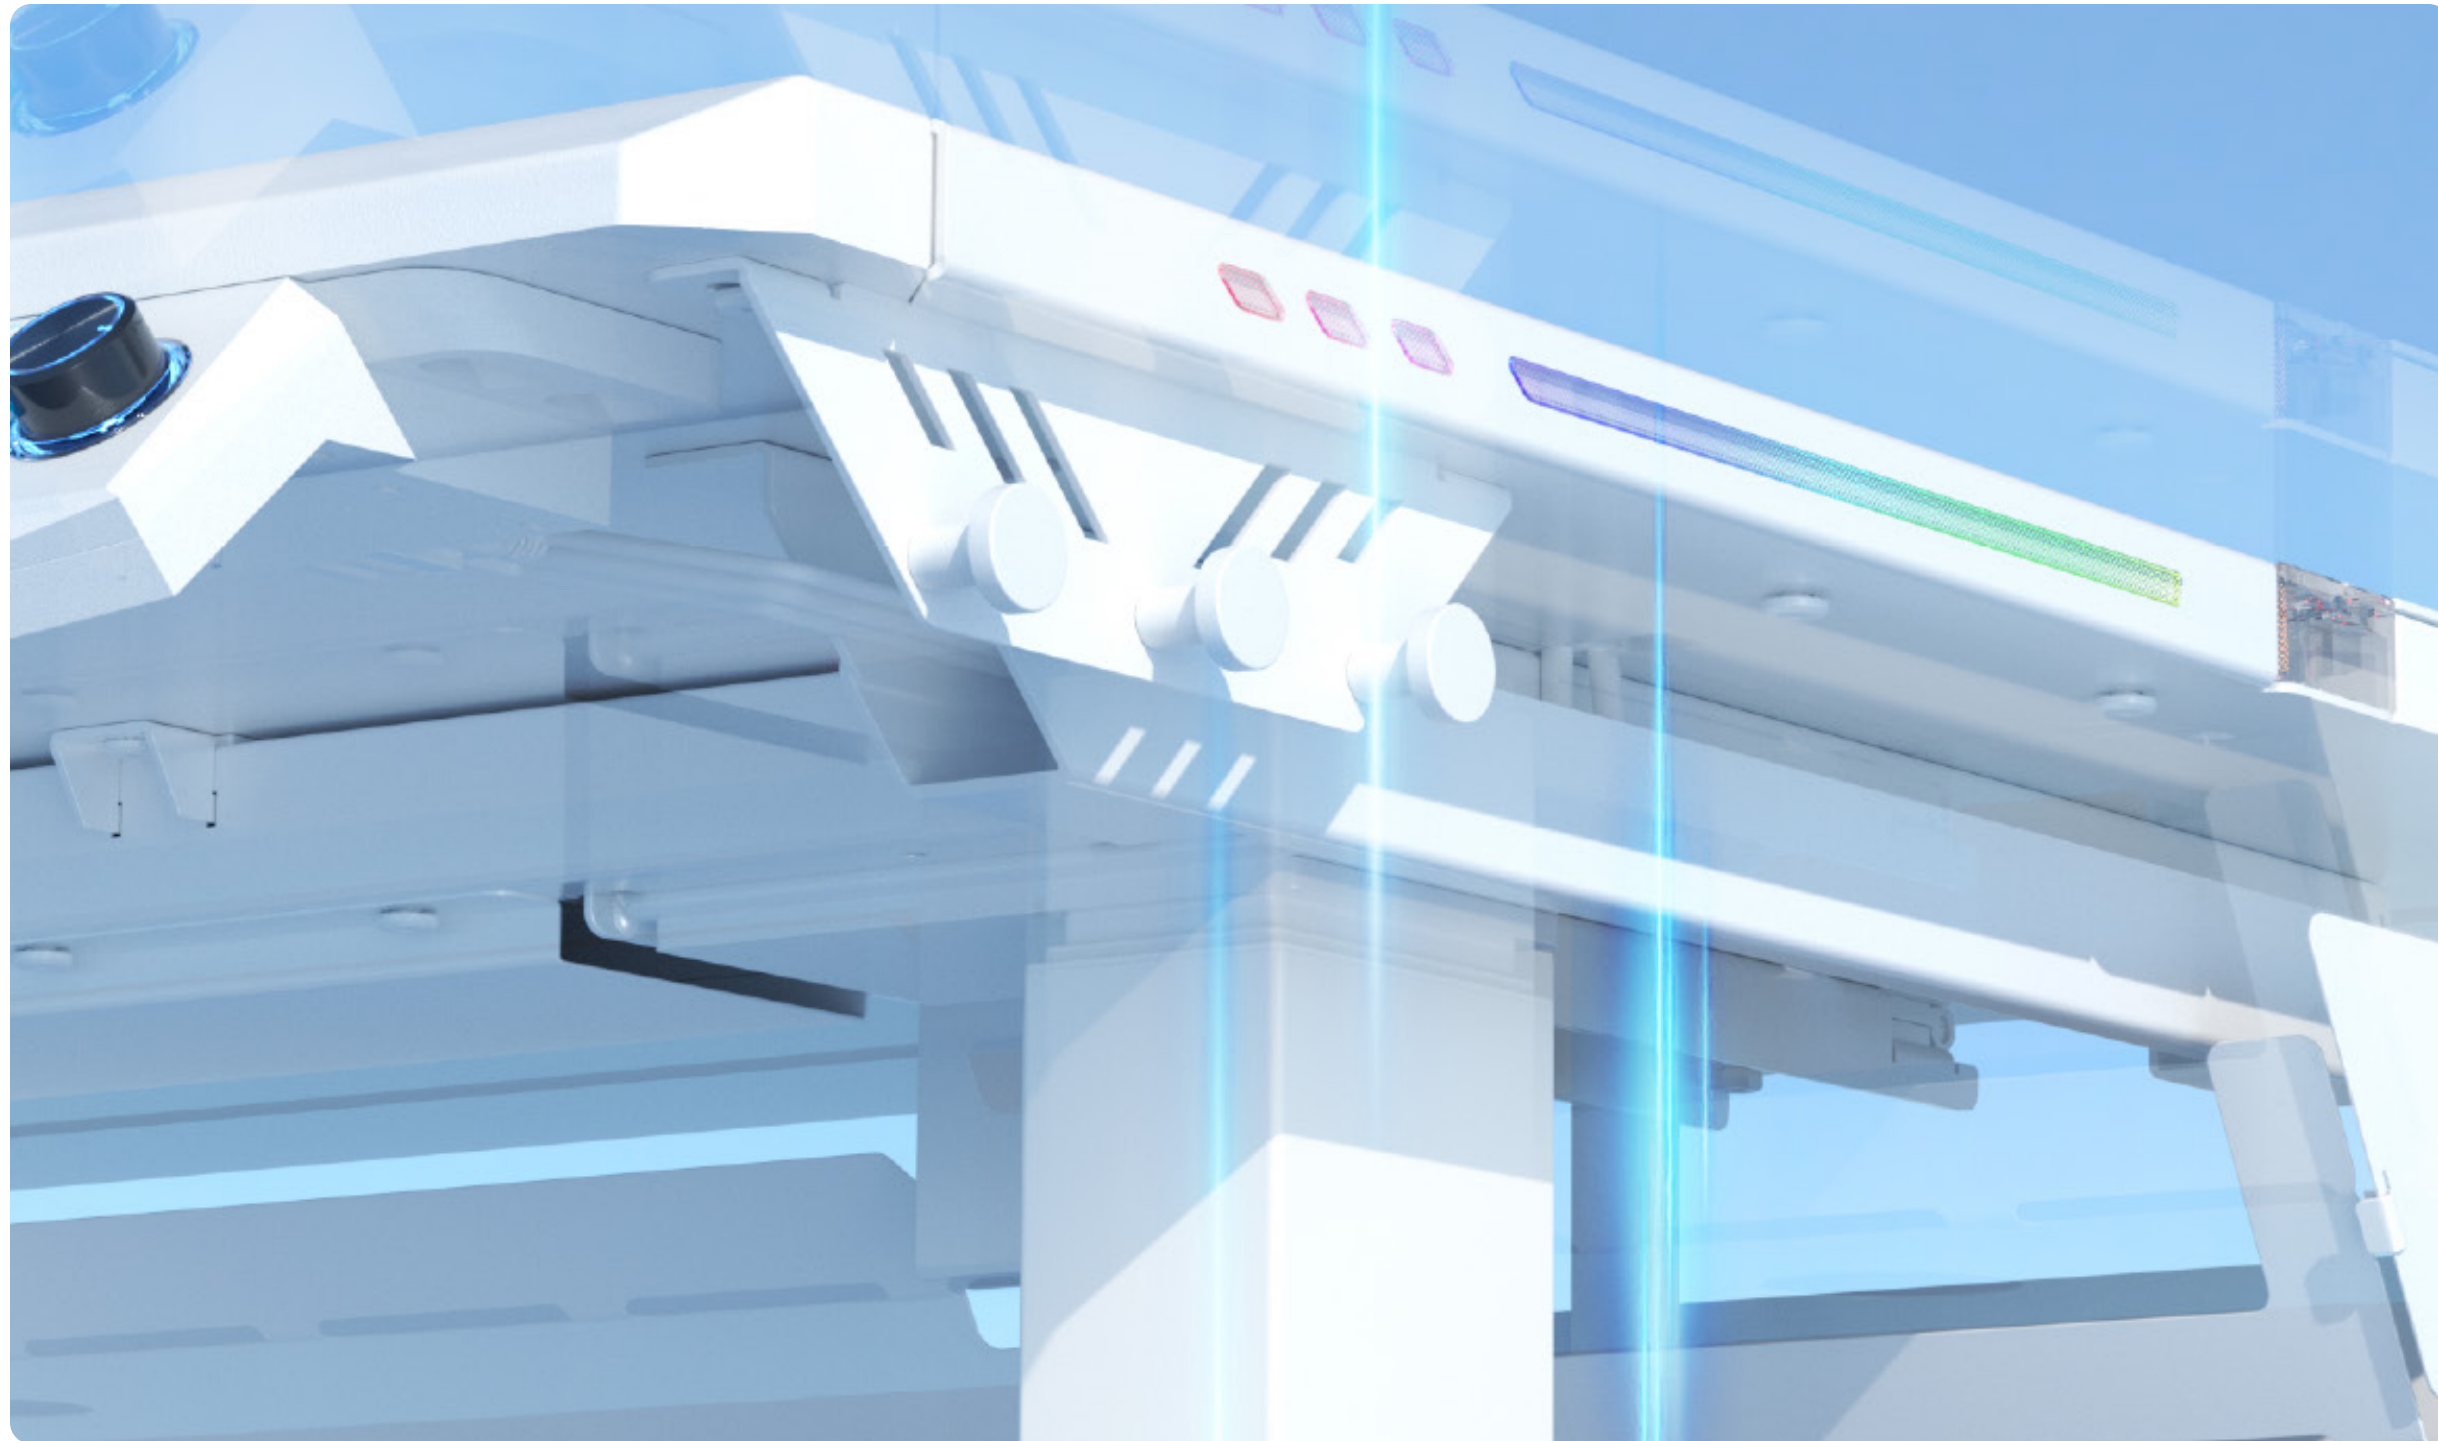

1275mm

620mm

Sit, stand, or move. Wide height adjustment for all ideas.

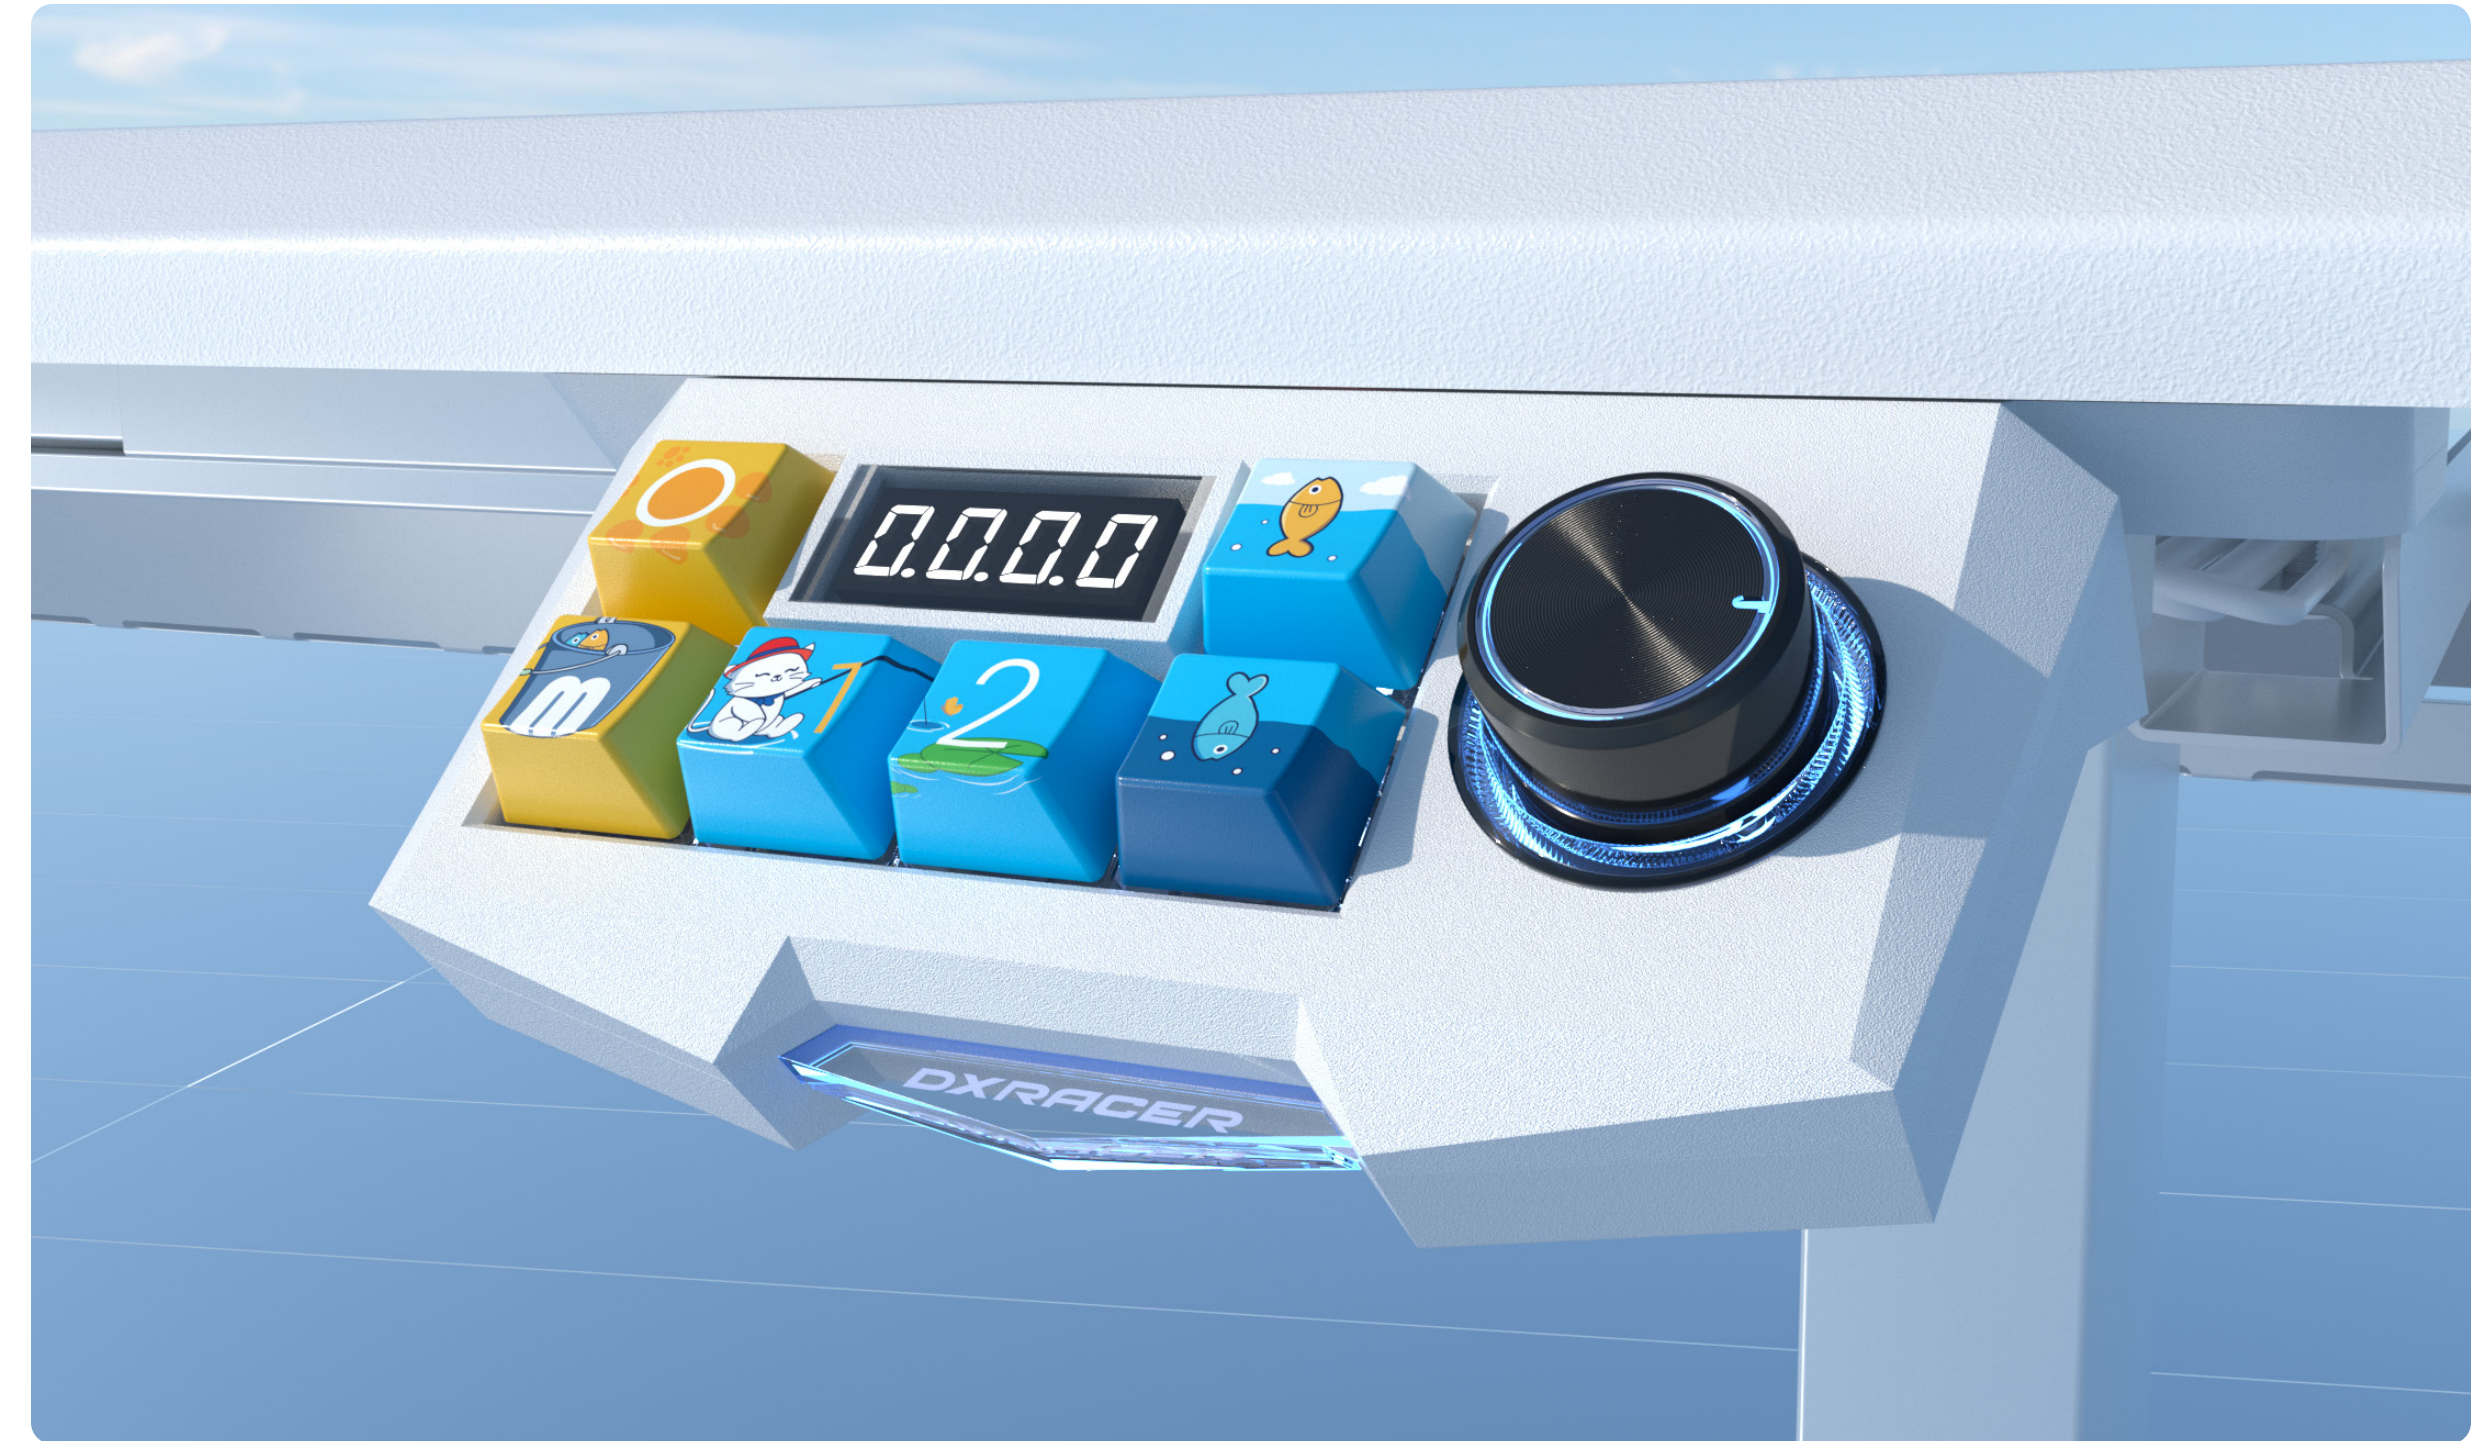

45dB whisper operation is quieter than a library.

Electric Control

Precise and smooth electric adjustment designed to meet you at the perfect height.

Memorize your comfortable heights with one button.
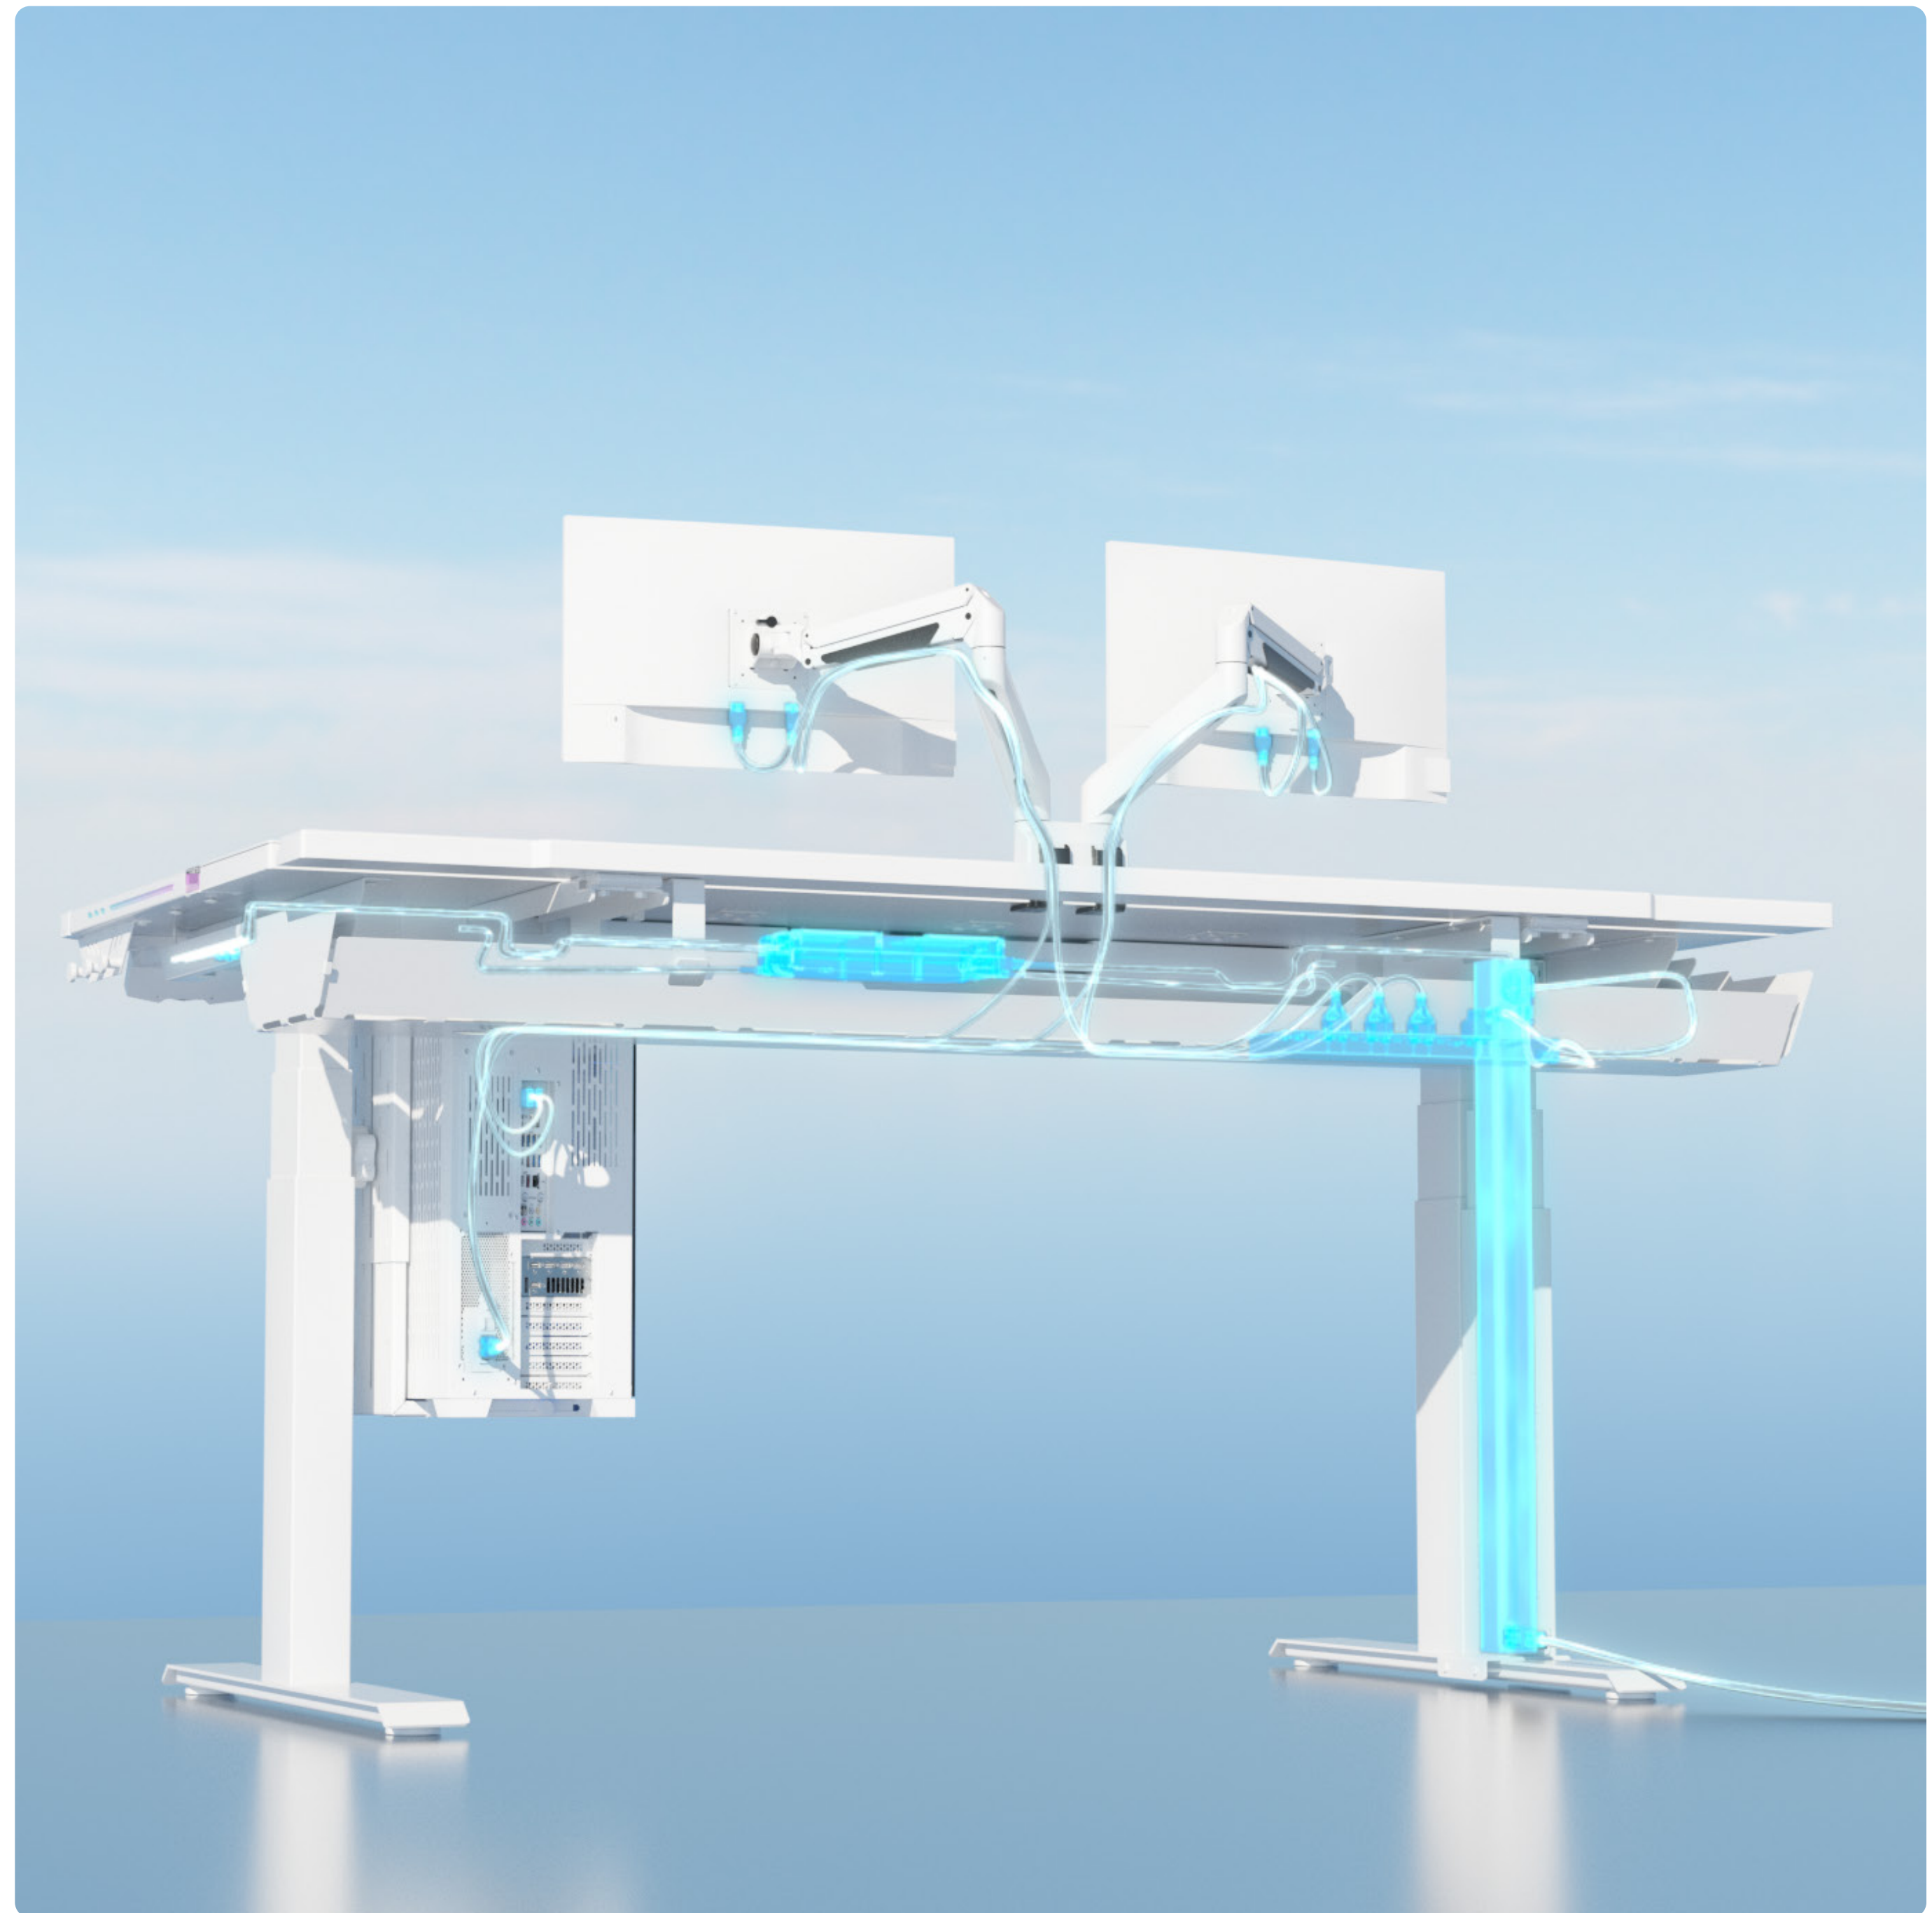

# Cable Management

No Cable Mess

Integrated Power Supply Column

Less is more, free your space;
Keeps all cables hidden and gives you more space to create.
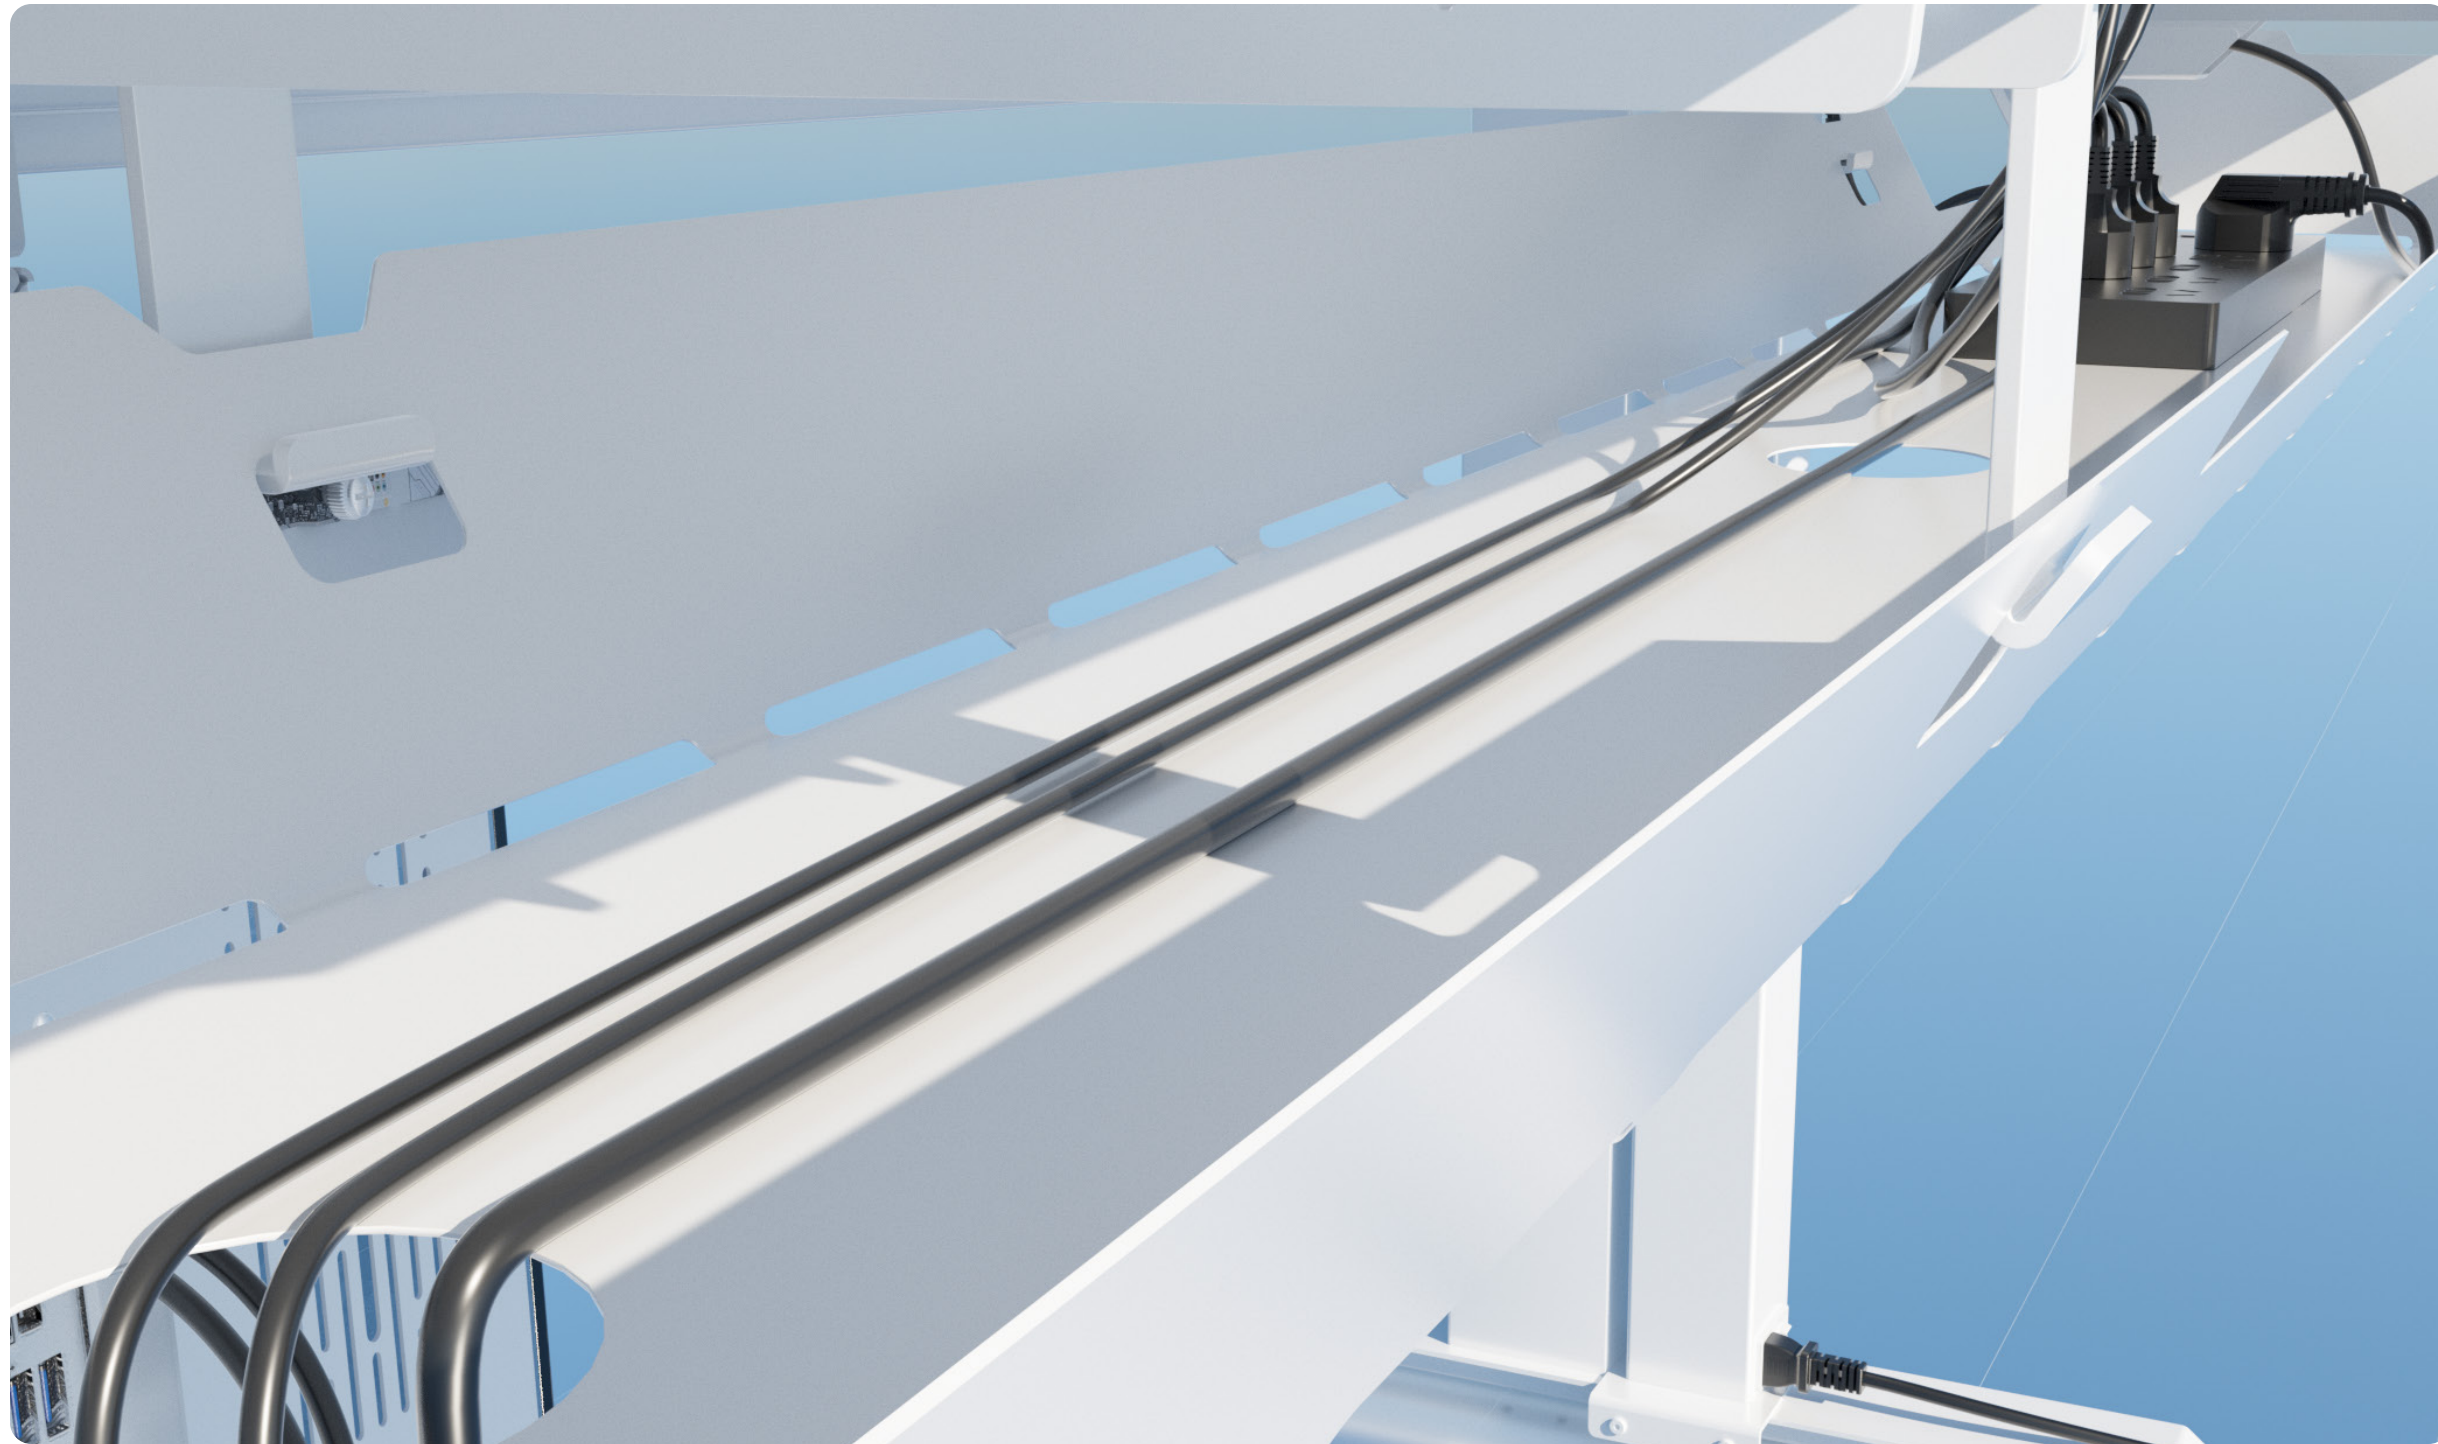

Desktop Cable Management

magnetic cable organizers prevent your cables from shifting or falling off.

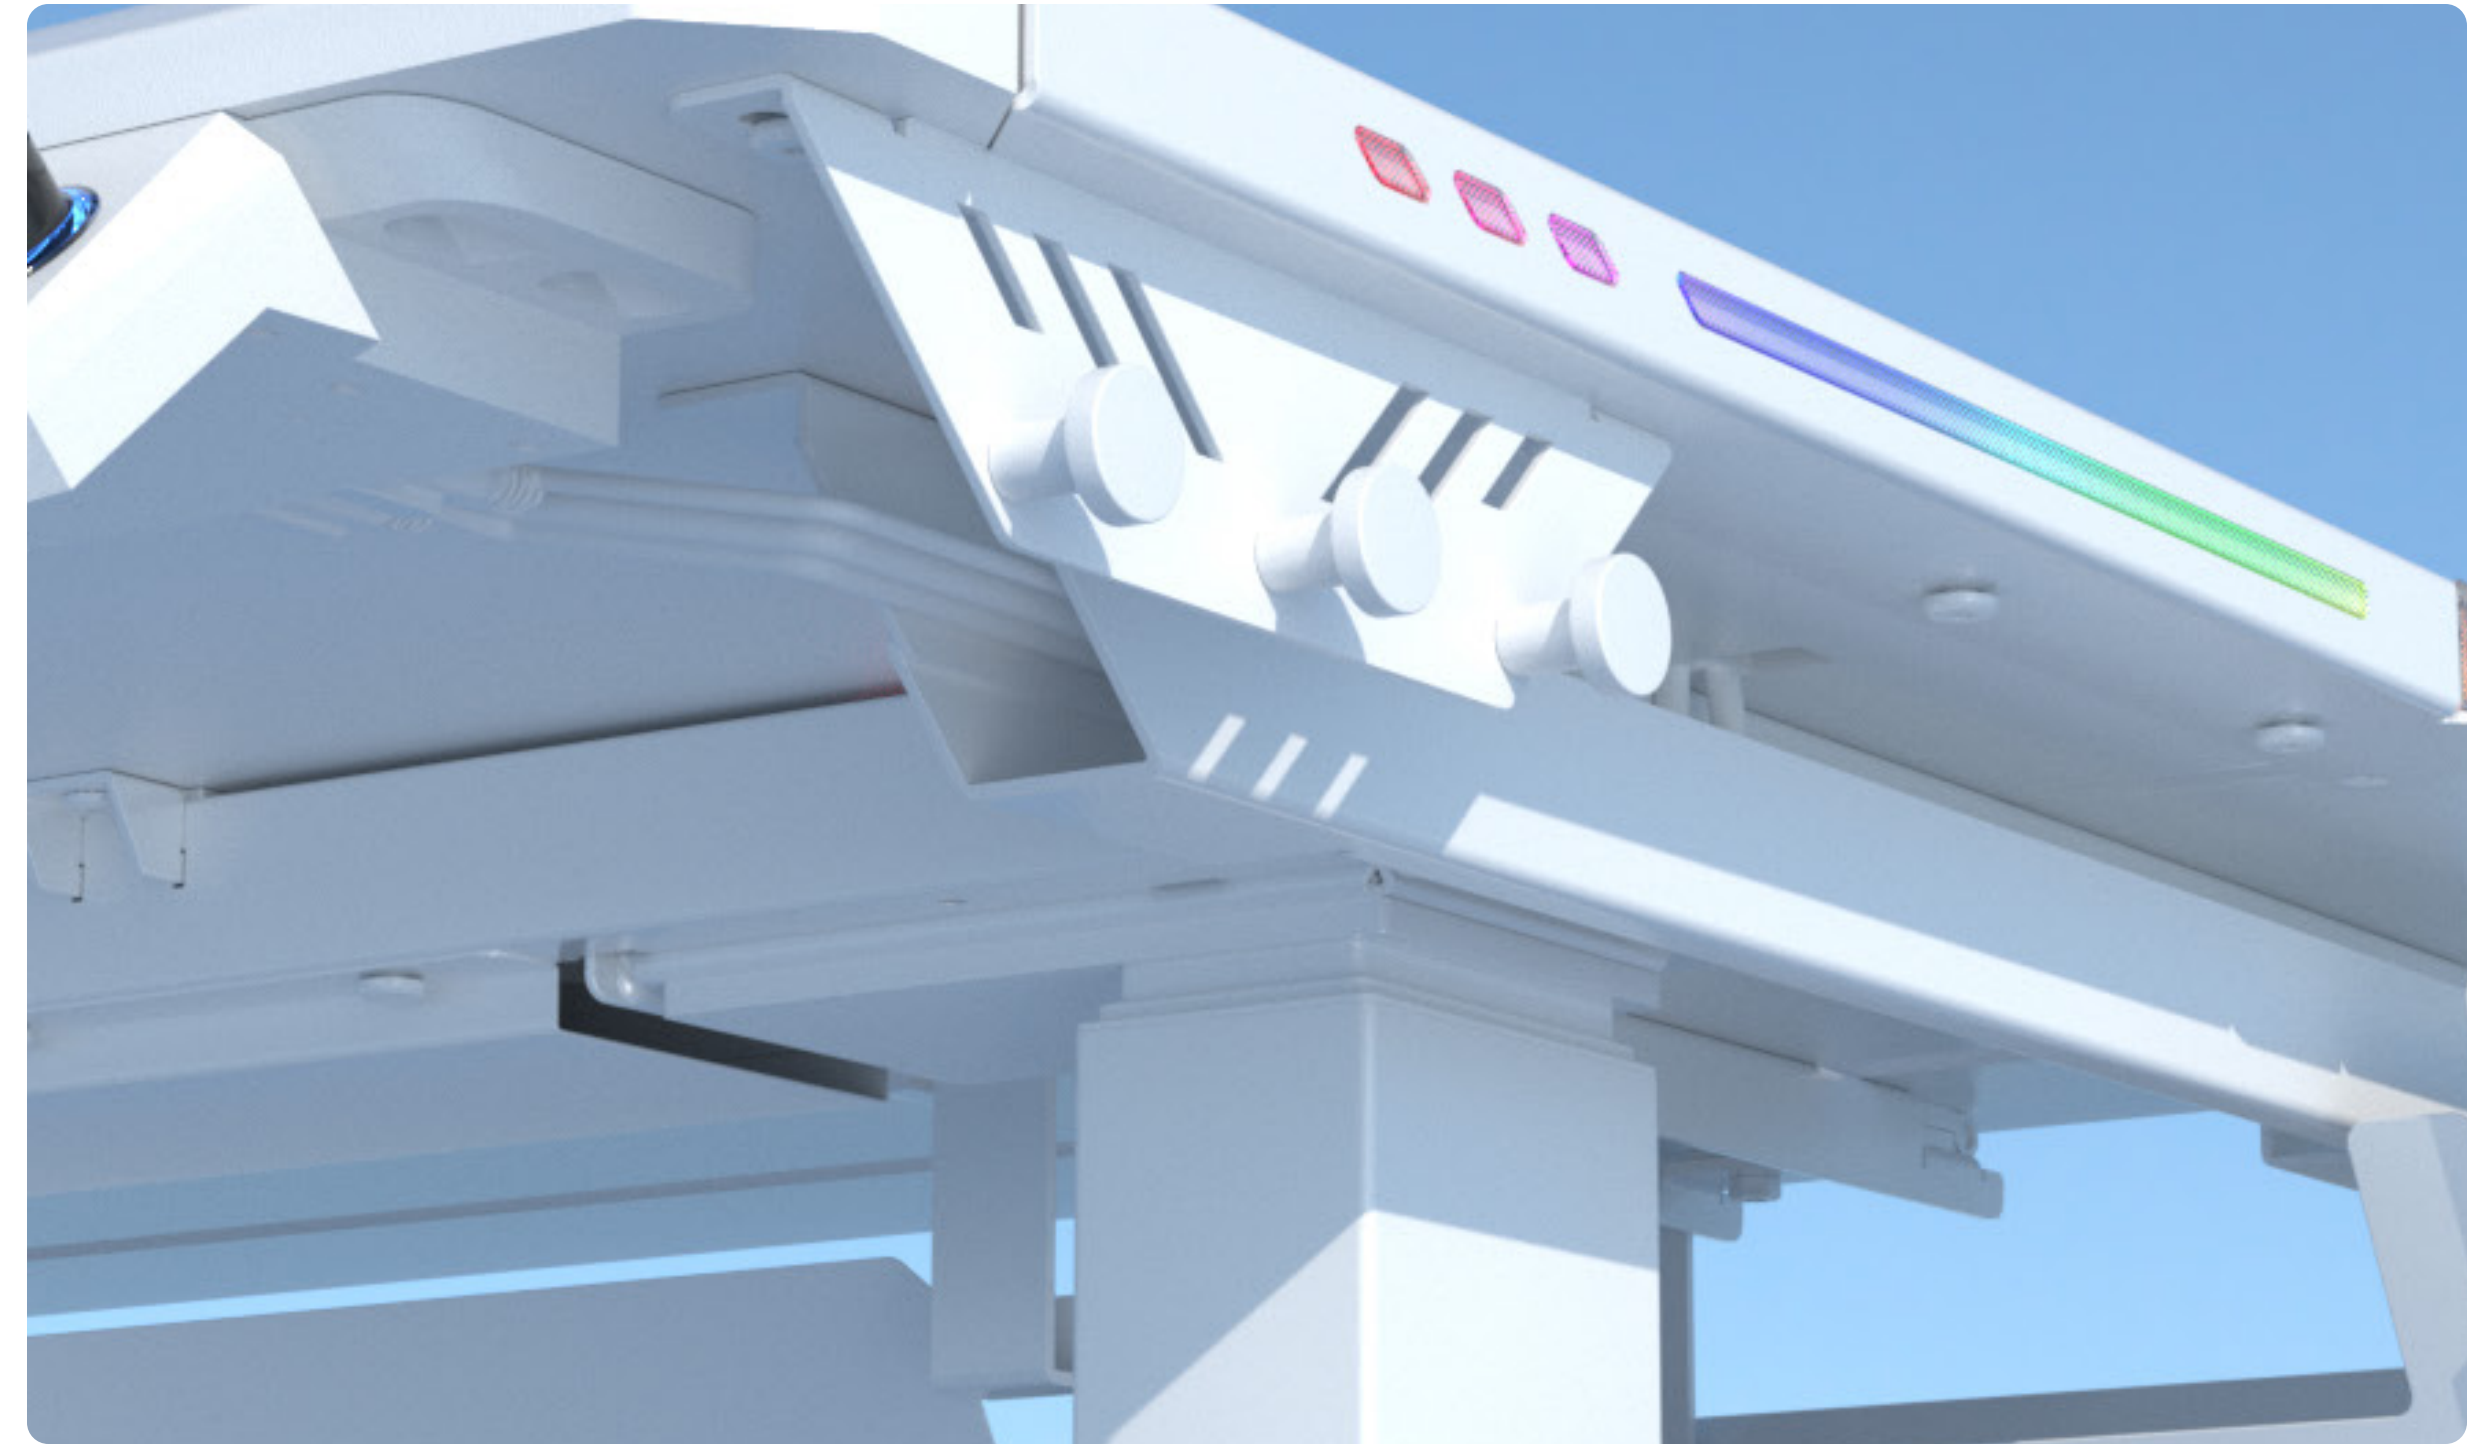

The hinged rear cover design is an innovative solution for efficient cable management.

Under-Desk Cable Management

Full-length cable management tray offers a clean and organized solution without having to move your standing desk.

There's plenty of room in the side-of-desk cable management tray. Perfect for keeping every wire hidden away, even along the sides.
