### Prince Series Custom GamingChair

#### ● Non-Customization Options

Customization options are not available for the headrest, EPU leatherette, and DXRacer logo on our Prince Series gaming chairs.

#### ● Customization Options

##### • Colors of EPU Leatherette

Colors of the leatherette can be combined and customized to create a stunning visual effect.

##### • UV Printing Design

You have the option to customize your preferred design on both the front and back of the chair backrest. Embroidery Patterns Crafted with the utmost precision, high-end and three-dimensional embroidery brings the patterns to life.

##### • Colors of Stitching Lines

You have the freedom to change the color of stitching lines on the whole seat to match your desired design style. You'll feel satisfied with every detail.

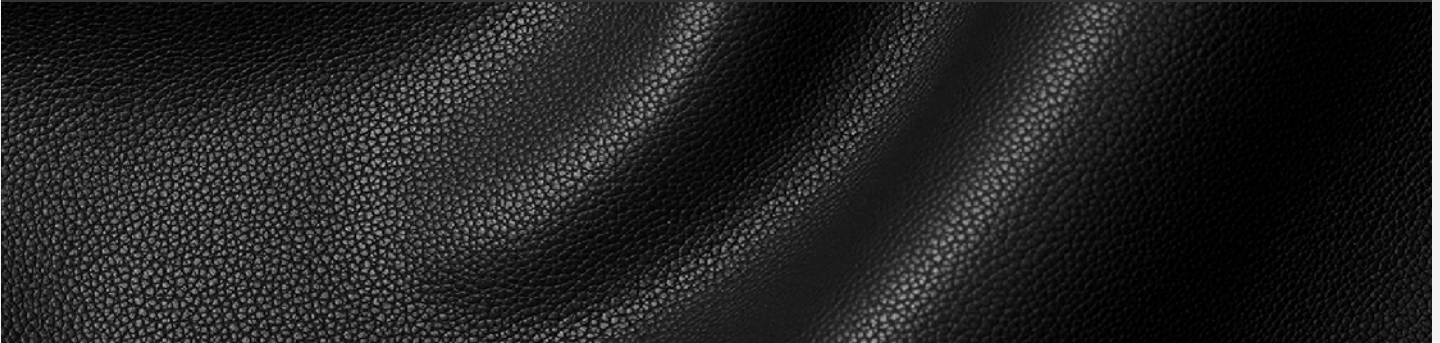

##### • Your Logo

Your logo can be printed or embroidered anywhere on the seat while keeping the DXRacer logo on the headrest and the front of the seat base.

### 3 Rules for Product Customization

- The patchwork and stitching design on the seat covers cannot be customized, yet the upholsteries and colors can be combined at will to create a stunning visual effect.
- For embroidery and printing customization, there is an additional processing fee.
- If the order quantity is high enough, we can accommodate special color requests for upholstery.
