Steel Frame

The Pioneer in Gaming Chair Category

Triple 90° Ergonomic Lock

Creates three 90° support points at elbows, hips, and knees for optimal biomechanical positioning, enhancing gamers' focus during esports performance.

FORMULA | FORMULA SERIES-CORE FEATURES

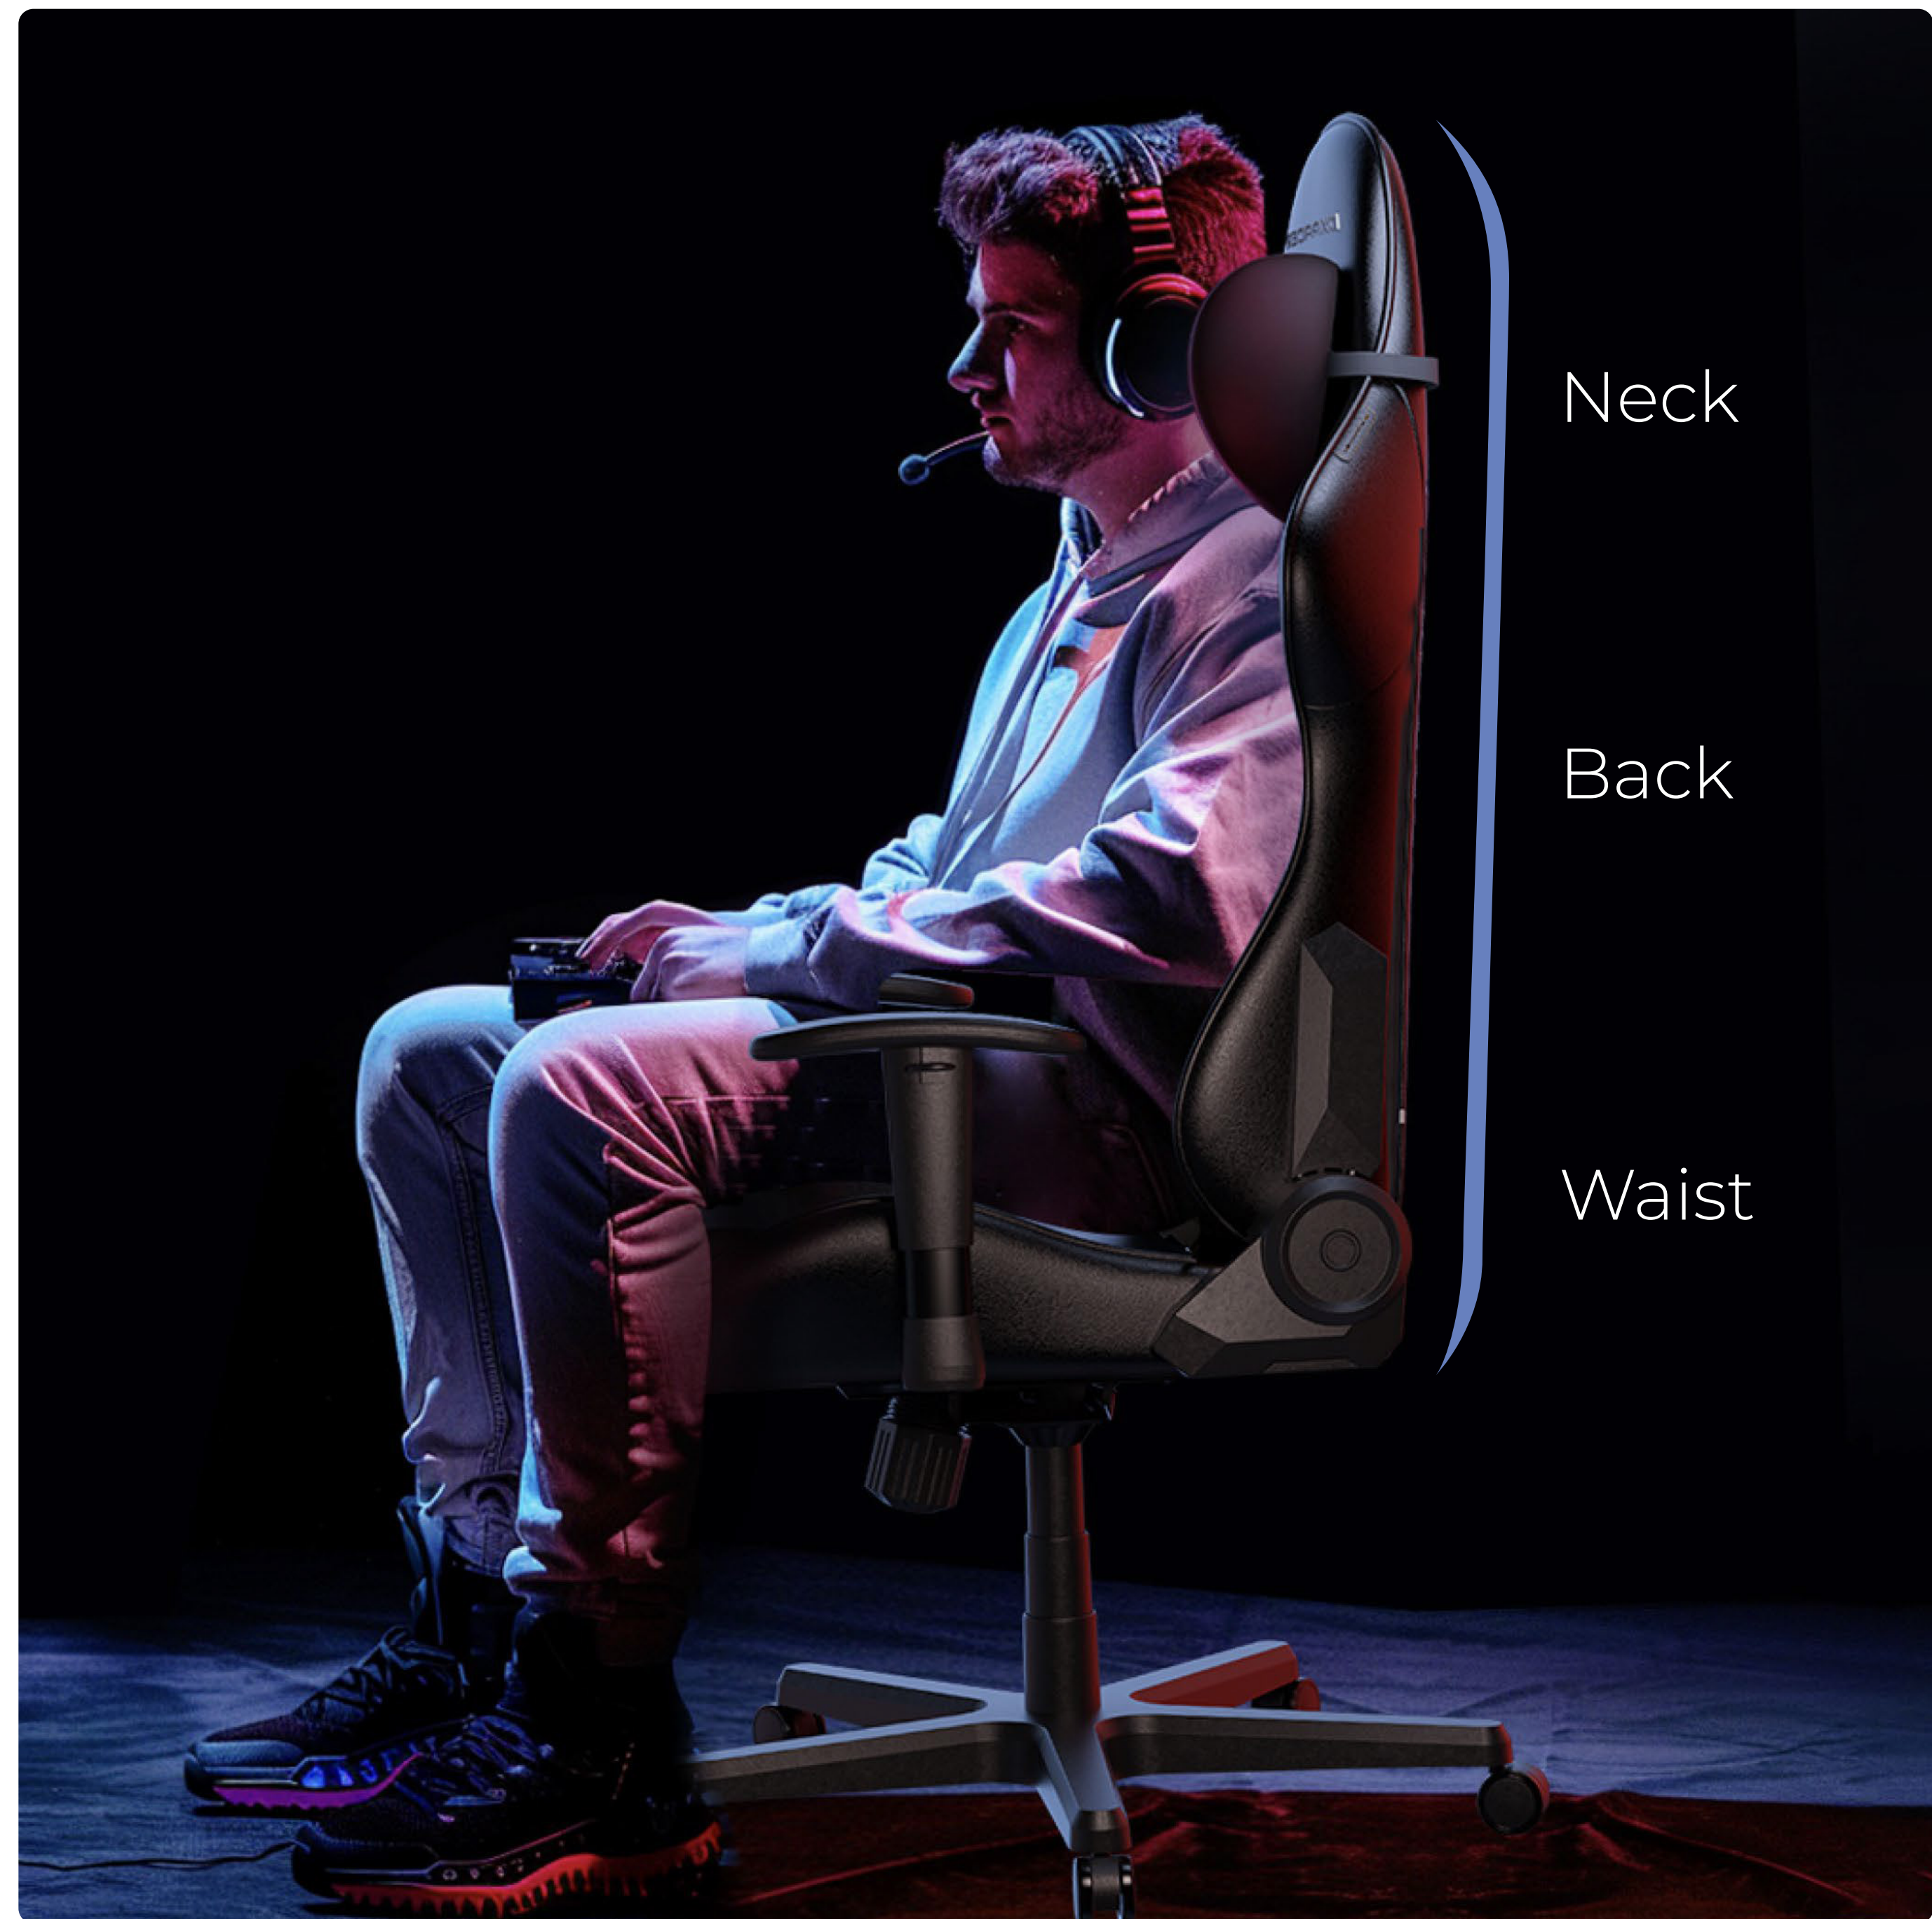

The Pioneer in Gaming Chair Category

Ergonomic High-Back Support System

With integrated headrest and lumbar support, precisely matching spinal load distribution

S-curve biomimetic design replicates natural spinal alignment

Promoting naturally upright posture for optimal seated health.

Product Design

Ergonomic Design

Cool Dual-Eye Design

Inherits the racing seat's original aggressive aesthetics while enhancing gaming immersion

Dual-eye design

Embroidery
craftsmanship

Ergonomic Design

Cooling Gel Foam Headrest

The headrest is made with advanced cooling gel containing chill particles to maintain a consistently cool state.

FORMULA | FORMULA SERIES-DESIGN

Ergonomic Design

90°~135° Reclining Backrest

Provides adjustable tilt from 90° to 135° to accommodate sitting preferences. When you want to relax, watch TV, or take a short nap, the reclining mode is the ideal choice.

FORMULA | FORMULA SERIES-DESIGN

Ergonomic Design

2D Height-Adjustable Armrests

The armrest height can be adjusted to match desk height.
Whether working or gaming, you can customize it to your needs.
